

GATHER
TRUE

Online Conference
May 22-23, 2020

Gather Women is pleased to welcome you to our first national online gathering
- **TRUE Conference**

Thank you to Compassion, Operation Christmas Child and all of our speakers, participants, interns and volunteers! We believe in the sovereignty of God over our nation, and the opportunity to transform Canada through the voices and presence of women from coast to coast.

Girls across our nation and beyond!

Thank you for choosing to join us for two days as we lean in to whatever is True. Has everything changed as much in your world as it has in mine? Even our expectation that we would always be able to gather in person has been challenged. We realize what a privilege that was! But what an opportunity in our now to gather here...online...like this!

God spoke to us early this year to host our national gathering online, even before the world changed before our eyes. So we believe this is a God-ordained conference - and we know that you were meant to be part of it! We see you. We love you. You are valued. And you are belong here.

Can I encourage you to embrace what is True in this season, and believe with everything you have that Truth is represented in the person of Jesus Christ? He never changes, His presence never leaves us, and His words remain the only True anchor we have in the midst of uncertainty.

We don't know what lies ahead but we do know that our lives are based on a True Story - and that God has authored it and it will end well for us. Do you believe it? In the meantime, stay strong, stay focused and stay True! Let us Gather.

Cathie Ostapchuk
Lead Catalyst, Gather Women

GATHER

Gather Women exists to be a catalyst for women of Canada to connect, equip and mobilize so they can influence their world for Jesus Christ.

OUR VISION

For there to be a culture of support from coast to coast amongst our sisters in Christ, regardless of their denomination, generation, culture or geography, that includes the one, the few and the many.

OUR PHILOSOPHY

- We embrace the truth that centered on Jesus Christ, we are stronger together.
 - We believe in the value of the local church and the importance of women being gathered in so that they can go back out and continue to put their faith into action.
 - We believe in the value of the whole body of Christ; both female and male.
 - We desire to see the voices of women everywhere represented in equal value and strength in all kingdom conversations taking place across our nation and beyond.
 - We desire to see the presence of women everywhere in equal value and strength in every area of influence including the local church.
-

What would it look like if Canadian Christian women were stronger together through a connected infrastructure coast to coast?

GATHER is an invitation. To tell the CANADIAN story. To champion a culture of support as we walk out our callings: unified and diverse. To connect us all regionally and nationally through a robust network on the ground and online. God is stirring in us the desire for a uniquely Canadian expression of His heart for us. **Let us Gather.**

6 WAYS TO GET THE MOST OUT OF THIS EVENT

ACT LIKE THIS IS A REAL CONFERENCE

Respond to the speakers, keep your energy up! You've committed time and money to this day and to get the most out of it you need to push yourself outside your comfort zone and be in it... even if it feels slightly weird to talk to someone on a screen.

GET YOUR QUARANTINE CREW IN ON THE GROWTH

Include your parents, partners, roommates (or anyone else who are social-distancing with) to join you in this experience. After all, the best part about every conference is being able to debrief all of the things you learned with your squad.

CONNECT WITH PEOPLE BY USING

#TRUECONFERENCE2020 AND @GATHERWOMEN

Just because we're not all together in person (though, we can't wait for that to happen again!) doesn't mean you can't make new connections. Explore the Gather community and create relationships that will last long past the event.

DON'T MISS A BEAT

Make sure you have your water and snacks ready to go so you can be fully focused and not miss any of the content.

DON'T LET THE GROWTH STOP AT THE END OF THE CONFERENCE

What happens on conference day is important but not nearly as important as how you begin to incorporate the things you've learned in the weeks following.

DON'T PASSIVELY LISTEN

You are five times more likely to retain the information you learn if you take notes. Don't passively listen. Stay focused, jot things down, and keep notes of what stood out to you.

GATHER

WHAT WE BELIEVE

We believe in God, the Father almighty, creator of heaven and earth.

We believe in Jesus Christ, His only Son, our Lord, who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried; He descended to the dead. On the third day He rose again; He ascended into heaven, He is seated at the right hand of the Father, and he will come to judge the living and the dead.

We believe in the Holy Spirit, the holy universal Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting.
